NOTIFICATION

Bangalore University invites applications for various types of affiliation from the affiliated Colleges/ Managements situated in the Bangalore University jurisdiction viz., Bangalore City, Bangalore Rural, Ramanagar, Chikkaballapur and Kolar Districts for the academic year 2017-18 as prescribed in Sections 59 and 62 of the KSU Act, 2000.

1. RENEWAL OF AFFILIATION:

Applications are invited for renewal of affiliation to the existing courses, additional courses and enhancement of intake in the existing affiliated Colleges under the Faculties of Arts, Science, Commerce and Management and Education. The Colleges intending to apply for renewal of affiliation/ enhancement of intake to BHM, MBA, MCA should obtain prior approval of AICTE, for BASLP, MASLP or B.Sc./M.Sc.(Speech & Hearing) from Rehabilitation Council of India, B.Ed./B.P.Ed/M.Ed. colleges from NCTE as applicable.

NAAC Accreditation: As per the State Government Circular No. ED 76 UBV 2011 Bangalore dated:17-05-2011 and the University Circular No.Aca-III/NAAC/2011-12 dated:09-06-2011, the Colleges which have completed 5 years as on 2011-12 are asked to adhere to the standards circulated by NAAC compulsorily from the academic year 2012-13 and obtain a minimum of 'C' grade. The Principals of all the colleges have to make efforts to adhere to the directions of the State Government issued from time to time. *Renewal of affiliation to such colleges for the academic year 2017-18 is subject to NAAC accreditation of 'C' grade. However, this condition is subject to State Government's direction from time to time.*

Colleges which are offering both U.G. and P.G. courses shall submit separate applications for renewal of affiliation to Under-graduate and Post-Graduate courses.

Checklist for the grant of Renewal of Affiliation/Enhancement or reduction of Intake/Additional course/Permanent affiliation/ Renewal of Permanent Affiliation and the guidelines are available in the University Website referred above.

2. AFFILIATION OF ADDITIONAL COURSE:

The Colleges can apply for affiliation for starting additional courses under the Faculties of Arts, Science, Commerce & Management. The courses can be mentioned in column 7 b of Renewal of affiliation application form. There is no need to submit separate application. Colleges should seek affiliation to only approved combinations of UG courses. List of approved combinations are posted in the University Website.

For starting of P.G. courses: Colleges having permanent affiliation or atleast five years of continuous affiliation only shall be eligible to start postgraduate programmes. Those colleges which do not have accreditation shall apply to NAAC for accreditation within 2 years from the date of affiliation to P.G. programmes. The Colleges having less than 5 years of continuation of affiliation and New Colleges (Fresh affiliation) are not permitted to apply for affiliation to any P.G. courses. The eligible Colleges intending to apply for affiliation to P.G. Programmes have to mention the P.G. courses in column 7 b of Renewal of affiliation application form prescribed for P.G. courses and also they have to submit a preliminary report showing the infrastructure and other facilities available for each programme, with proof of sufficient financial and other resources for sustaining the programme, along with the application. The Govt. Colleges should have prior permission from Dept. of Collegiate Education to apply for P.G. Courses.

3. ENHANCEMENT OF INTAKE:

The Colleges can apply for enhancement of intake to courses under the Faculties of Arts, Science, Commerce & Management. In case of P.G. courses, colleges should note that they are not permitted to seek enhancement of intake to P.G. course more than the intake fixed in the respective University P.G. Department of Studies as per the general resolutions of the Academic Council dt:1/3-06-2013 and Syndicate dated: 04-06-2013. Intake of courses at P.G. faced by village students.

Technical Intervention with proper assesment for viability of the outcome: Most of the Government schools are lacking good infrastructure. They are being beleaguered by many problems like shortage of Faculty, Infrastructure and latest education technology. It has become big reason for students not to join in Government schools. Majority of the parents and students are looking for corporate schools or private schools though Government schools are having highly qualified teachers. This scheme of UBA will help the village schools to improve the infrastructure in Government schools to a certain extent to overcome the shortcomings faced by village students. Providing Digital Classrooms in the village schools will help the village students also to compete on par with corporate school students. Especially after COVID'19 when world is looking forward for radical transformation in education ,this is the right time to support Govt schools of villages with digital infrastructure.

Role of your Institute: Procurement of required infrastructure, creating awareness and motivating teachers and students towards ICT and providing ambience in the Digital Class.

Cost of facility: 100000

Project deliverables: Maintenance of Digital classroom, Training to teachers, Development of educational material, Creating awareness among students and faculty about ICT, monitoring the students continuously whether they are acquiring the knowledge or not By bringing together the qualified professionals, leveraging the power of technology to enable access to high quality teachers for the children in the remotest villages and tribal zones of India. We also focus on children aged between 10 and 14 years, delivering live interactive classes in the local medium, through a powerful partner ecosystem.

Availability of funds from other sources: No

Duration of work (in terms of work plan): 6

Impact of the Project in Villages: It definitely enhances the quality of the students and motivates the students towards digitalization. ICT helps to stimulate, motivate and Engage Learners. Increase achievements. Enable better understanding. Cultivate improved communication. Have a positive impact on workload .Quick access to information. Easy availability of updated data. Connecting Geographically dispersed regions. Catering to the Individual differences. Wider range of communication media. Wider learning opportunities for pupils.
