27 years of teaching experience, which includes 22 years as Principal.

Believe in all-round development of students. Guiding and training them to be successful in their endeavours.

I am a Doctorate from Magadh University and postgraduate from Dr. MGR Medical University.

I have been involved in conducting many activities in the best interest of students and teachers. These activities have helped them to be competitive.

Our students are well placed in many foreign countries across the globe.

Other responsibilities:

1. Local Inspection Committee, RGUHS, Bangalore.
2. Chairman, LIC for Inspecting M.Pharma Colleges.
3. Inspector in Pharmacy Council of India, New Delhi.
4. CPCSEA Inspector for Mangalore University, Karnataka.

I have also received sponsorship for our different academic activities from RGUHS with regard to research work and conferences. I have also attended many conferences and published research work in many journals.
