Suman Mishra

B. Com (Accounting), MBA (Finance), UGC NET (Management)

6 Years of Academic Experience

sumanmishra@tjohngroup.com

I as a faculty believe in quality rather than quantity. I am very much committed towards student understanding of the subject matter which they can apply in their personal life and professional career. Also, I make sure that they are well versed with the concepts and practices of finance which will yield them a better career.

I am an MBA from Berhampur University, Orissa, UGC-NET qualified. My research papers have been published in national and international journals and been presented in national conferences. I have been associated with one of the Central University of India located in Orissa for a period of three years. During my tenure of service, I was an active member of the Board of Studies of the University for reframing and restructuring the MBA syllabus.

My core areas are Financial Management, Financial Services, Financial Accounting, Financial Derivatives, International Finance, Cost and Management Accounting. I have guided both UG and PG students for their project & dissertation.

Areas of expertise (subjects handled):

Strategic Cost Management-I, Accounting for Managerial Decision Making, Indian Financial System, International Financial Management, Performance Management, Income Tax, Advanced Corporate Accounting, Advanced Accounting, Financial Management & Advanced Financial Management

Publications:

- Origination of Public Finance Management in Modern Marketing strategy and its effect (at a glance), International Journal of Advances in Multidisciplinary Research, Vol. 04, Issue 12, pp.3265-3267, December, 2017
- Foreign Investment and its Development in Pre and Post economic reform era in India, International Journal of Development & Research, Vol. 08, Issue, 06, pp.21232-21236, June, 2018
