Dr. Khalida Khanum,

M.Pharm, Ph.D

Professor

Years of Academic Experience 21 years

I am sincere and responsible to the responsibilities allotted to me.

I am a Doctorate from Nagarjuna University and post graduate from RGUHS. I have been involved in conducting activities like invitation of former President of India, Dr. A P J Abdul Kalam, International food fest, state level Science Exhibition, International fashion show and Dance competition, International soccer league, sponsored University faculty development programmes in our college.

I always believe in guiding the students professionally to be responsible and confident in their endeavours.

I have attended many national conferences and published my research articles in reputed International journals.
