PEN PICTURE

Dr.P.Lalitha , Asst. Professor

Co-ordinator - BBA, T.John College

Head - Exam Cell

Member - Quality Assurance and Research cell

My contribution towards student community is paramount with latest teaching aids, Case study based teaching learning , mentoring and guiding students at every level to make them independent and able citizens of India.

My Value Stand on Education

Education should retain the smiles of young generation by making creative throughout to develop moral values, build character and make independent and successful individuals .

Assets

Ph.D (Management), M.B.A (HR & Marketing) , B.Sc. (Mathematics & Computers) . Having 9 years of teaching experience from 2008 , with a passion to serve student community and get going positive attitude .

Steps I took to be a T. Johnite

Dream of my Ph.D has come true in 2018 from Mother Teresa Women's University and have over 9 years of Industry and academic experience. I am an Assistant professor, alumnus of Osmania University, Hyderabad . My Interest for Research and Academics is enormous which encouraged me to publish papers in various National and International journals and present papers at various conferences. Most of my Research work is related to Human resource management, Emotional intelligence and Work Life Balance .

Contributions to T JOHN COLLEGE apart from Teaching

I am an active member of Quality assurance cell and Research cell which instigates research blend among students and faculty and organize various faculty and student development programmes in diverse field. I am heading exam cell by taking care of organizing college and university level examinations. I am also involved in the course development of Value added programmes , project guidance of PG students and Research funding projects.

My Milestones at T JOHN COLLEGE

To add value to organization by working hard and to gain an enriching learning experience in the process of achieving T John goals.

Future Vision

To mentor and support students to the best of my interest in building positive character , following ethical values and making them socially responsible and able citizens of the country.

My Message To T John Aspirants

A place where transformation happens for overall growth and progress of future generations with continuous learning in a well disciplined environment .

.
