Report on Extension Activities

Extension Activity is an important aspect of education which emphasis community services or college plays a vital role in fostering social responsibility among the students. We realize that the purpose of education is not just to earn a livelihood but more to make them a good citizen of our Nation and all above a good human being. Values of caring and sharing with under privileged are one of the important elements to be imparted in our education. The students of our college are actively engaged in various outreach and extension activities. Our institution encourages a lifelong journey of social and community service. Their intensive participation in such programmes inculcates in them a spirit of good citizenship, service orientation and helps in the holistic development of their personality. Major extension activity carried out by our college in collaboration with NGO's are Blood Donation Camp, Visit to Govt School – Distributed books and other stationary to children, Visit to Old age home – Asha Jeevan Home and so on.

Daan Utsav celebrated at T John College

Daan Utsav was formerly known as The Joy of Giving Week. The Joy of Giving Week (JGW) is a "festival of philanthropy" that aims to become a part of the Indian ethos, with the Week being celebrated 2nd to 8th October every year, covering Gandhi Jayanti by engaging people through "acts of giving" - money, time, resources and skills - spanning the corporate, NGO and government sectors, schools, colleges and the general public.

The activity Initiated by NSS Volunteers at T. John College, prompted the students of our college to participate in the event with a great enthusiasm. Principal Dr.Shikha Tiwari , Vice principal Dr. Nilanjana Basu and NSS Unit incharge Mr. Arun Kumar R, were the motivators for huge collection of Funds and Clothing from students and staff of all our departments.

Blood Donation Camp was organized on 1st Oct 2015 where students of T John College donated 150 units of blood, volunteer partners Lions Blood Bank and NMHANS Blood Bank, Bangalore.

NSS unit organized a Movie show on 8th Oct 2015 for the Blue - collared staff of T John College in Cine Polis, Meenakshi Mall followed by offering a meal at Mc Donalds Restaurant. The clothing collected from staff and students were presented to all Blue - collared staff of T John College. We would like to Thank Mc Donalds restaurant for joining hands with us in this initiative of "act of giving".

Visit to Orphanage Home by NSS volunteers of T.John College

A visit to remember, On 19th August 2016,as part of Social Service Activity and celebrating Independence week, volunteers of NNS Unit T.John College organized a visit to Orphanage Home called Anatha Sishu Sevashrama in Wilsongarden, Bangalore. Our principal Dr.Shikha Tiwari and Mr. Arun Kumar.R, were the motivators for huge collection of Money, Food, Clothing and Stationary items from students and staff of all departments. These collected items, as per the instructions of volunteers was distributed to children of Anatha Sishu Sevashrama. The Orphanage Home was started in year 1942 by Founder & Honrary Secretary Late H.Parvthamma Hiremath that offered accommodation and education for orphans.

This orphanage home is running with children as young as three years to ı age of about 15-16 years, these children are either orphans of single ırent or both parents. It is doing a great job of identifying these orphans om slums and public places like bus stands and then giving them shelter ıd protection from the bad elements of society. They take care of their eeds of food, education & other necessities, including medical aid by ising funds through volunteering organizations and CSR of companies & ınks.

fted items included Food items such as biscuits and other dry snacks, arments including shirts, pants and skirts, Stationary items like books, ens, erasers and sharpeners, Medicines like tablets to this organization. ıe quantity of gifts no doubt is very meager, when they have huge quirements of essential items to maintain and carry on such good work. is very much important such activities must be more frequent and the events should be worked with a definite goal, making it more purposeful as part of noble cause. Studen visited the orphanage home ar

TJC Gandhi Jayanthi 2016 -Swachh Bharat Abhiyan

On the 2nd of October, student and staff members of T. John College undertook a campaign rally in observance of Gandhi Jayanthi with the agenda and theme of "Swachh Bharath Abhiyan". Bangalore based social activist Mrs. Pavitra Jatin managed the rally's preparations, right from the inception of the idea, to its execution on 2nd October, 2016. Prior to the event, on 29th of September, 2016 Mrs. Pavitra Jatin arranged and hosted a session for all participating students for a pep talk to the entire event.

T. John College Principal Dr.Shikha Tiwari and Vice Principal Mrs. Hemalatha Dodamani also joined student and staff members into rallying for the noble cause. Assistant Professor Arun Kumar along with a team of 20 faculty members helped manage the arrangements for the campaign. Initiated at points of Gottigere and Arekere in South Bengaluru, the rally met its conclusion at Hulimavu, South Bengaluru. Filling the air with motivating slogans, TJohnites managed to catch attention of all public presence on road, into a thought-provoking 147th Gandhi Jayanthi (147th Birth Anniversary of Father of the Nation Mahatma Gandhi) in India.

With Bengaluru police's protection and student's ever-lasting enthusiasm towards to cause of a clean and green India turned the event into mega success. The productive weekend ended with refreshments for all participating members of the campaigning rally.The event is part of the NSS cell of the college.

Introduction to Yoga and Meditation for NSS Volunteers of T.John College

01

Date:02-08-2019

In our increasingly fast-paced and technologically advanced society, it is absolutely vital that young people learn the necessary techniques for dealing with stress, anxiety, self-esteem, self-expression, peer pressure, anger, depression, and countless other issues they may face in the coming years.

Yoga and Meditation can contribute directly to improved mental focus and concentration among students. Both yoga and most forms of meditation include an increased focus on breathing techniques.

On 2nd August 2019, as part of club activity NSS Unit of T.John College invited Mr. Satyam, Yoga Trainer from Art of Living to introduce few basic yoga and meditation techniques to the NSS Volunteers as the first activity for the students enrolled in NSS Unit. The activity started with warming-up exercises, breathing techniques followed by short meditation. Students actively participated in the activity and at the end of the session they shared feedback that what changes they could see and realize after practicing Yoga and Meditation created the mind and body in a state of relaxation improved. The activity was organized by Mr. Arun Kumar.R and Ms. Vaishnavi.R, NSS Coordinators, T.John College.

Voluntary Blood Donation Camp Organized By NSS Unit of T.John College

Date:18-10-2019 (07)

NSS unit of T.John College in coordination with Lions Blood Bank and Narayana Health City organized a Blood Donation Camp on 18th October 2019.

Sister Rose Mary, Principal of T.John College supported this initiative to make it a successful social responsibility orientation of the institution toward the concept of blood donation, Principal who came to initiate also donated blood and inaugurated the camp.

The event started at 9.30 AM in the premises of T.John College where students started donating their blood. The complete arrangement was made with full facilities required for the event. The facilitators presented Mementoes to our Principal for the wonderful gesture and the involvement of the faculty and students.

By 2.30 PM 143 units of blood were collected. This event gave an opportunity to students to realize their responsibility towards society and removed their fear and apprehensions about blood donation. This event was marked with a number of girl students of T.John College donating blood. The camp was organized by Mr. Arun Kumar.R NSS Program Officer and Ms. Viashnavi.R, Coordinator and Volunteers of NSS Unit of T.John College.

Flood relief campaign for the North Karnataka Flood Victims by T.John College, NSS Unit

Date:14-08-2019

NSS Volunteers of the college organized a two days Flood relief campaign for the North Karnataka Flood Victims on 13th and14th of August, 2019.

Collection center was kept open for these two days and it was mind blowing to see the students and staff contributing to the cause in huge numbers. No cash was collected but people contributed Mineral water bottles, Sanitary napkins, Towels, Bedsheets, Torch lights, Candles and Match boxes, Soaps and detergents, Tooth brushes and Tooth pastes, Biscuits, Sugar packets, rice, tea bags and medicines.

The event initiated by the NSS volunteers of the college turned out to be a huge success with the support of Principal, staff and students. The amount of goods collected were segregated on the basis of nature and usability of the items, they were packed in 24 carton boxes, labeled and handed over to NSS Bhavan, Bangalore University by NSS Coordinators and NSS Volunteers. The active participation and contribution of the students was commendable and the event turned to be a wide form of rendering support to the people in need. The campaign was organized by Mr. un Kumar.R and Ms. Vaishnavi, NSS Coordinators, T.John College.

Joy of Saving Life Programme for NSS Volunteers, Students and Faculty Members

Date: 22nd Feb 2019

Every single individual in this world has the potentiality and the power to save a life. It is an essential gesture of solidarity. Any basic medical or first aid education should be accessible to all without not just any discrimination but also without any barriers.

On 22nd February 2019, a program was conducted by the NSS Unit of T.John College in association with Dr.Ramesh & Team, Emergency Medicine & Trauma Specialist, Sparsh Trauma Centre, Bangalore. They whole heartedly took the programme to explain about the basic first aid and CRP training. Faculty members, students and NSS volunteers were provided with such an opportunity to learn the basic first aid like chest compression and rescue breath through mouth which has to be done to an unconscious person during any medical emergency situation and that could help the person **save a life.** The hands-on experience helped the students to gain the practical knowledge which is informative and engaging. Any individual should take some time from the busy schedule to learn about the basic first aid and CRP. It can save the lives of many or even one. It doesn't matter if it is a minor situation or a major one. What is important more is, it's a life saving act. The program was organized by Mr. Arun Kumar.R, NSS Programme Officer, T.John College.

City hospitals on Monday observed World Cancer Day creating awareness about the disease and early diagnosis and the treatment. Dr.C.Ramachandra, Director of the Kidwai Institute of Oncology, organised a day-long programme on 4th Feb 2019 at their hospital on Hosur Road to educate all the NSS Volunteers and Program Officers how early diagnoses would make a difference in treating the disease. "Breast, cervical, and stomach cancers have increased in the past few years, and it is very alarming," he added. The top-most Doctors addressed the students on different types of Cancers their causes, effects and treatment available.

Dr. R. Srinivas, NSS Program Coordinator, Bangalore University also encouraged the volunteers that each one should take up initiative in terms of helping others to quit smoking and consumption of alcohol whether it is family members, friends or even public, and also spread awareness in college campus. The program came to end by NSS volunteers taking oath on how they have to be a part in preventing cancer in India. Session came to end by issuing certificates for attending the program.

As per the guidance of Principal, Dr.Shikha Tiwari we have planned to spread awareness amongst the students on Cancer and its prevention on 8th Feb 2019. The program coordinated by Mr. Arun Kumar R & Mr. Govind Kumar B, NSS Coordinators, T.John College.

Vote for better India Campaign by NSS Volunteers of T.John College

Date:22-03-2019

Vote for better India campaign that is a programme, it works to promote democratic values. It makes voters aware to realize value of their invaluable vote for strengthening democracy.

On 22nd March 2019, a program was conducted by the NSS Unit of T.John College. Campaign has not only been for spreading the awareness to people in locality but also making youth aware to realize the value and importance of their vote. This is more important to make them understand the voting mark on their finger is mark of responsibility towards the nation. Youth are power to the nation and they can make nation powerful. Vote for India works with deep concentration among youth for making them aware to cast their vote as well as to be messenger or volunteer for Vote for India campaign for spreading voter awareness messages. Volunteers went to the nearby village Basavanapura as a group and spread the word about voting from home to home, door to door, shop to shop and person to person. The program was organized by Mr. Arun Kumar.R, NSS Programme Officer, T.John College and accompanied by faculty members Mr. Govind Kumar.B, Mr. Kunal Sodhi and Mr. Viji George.

Report on UBA NSS Swachh Bharat Abhiyan Activity at Doddathoguru Village on IndependenceDay (63)

Date:15-08-2019

Mahatma Gandhi had rightly said, "Sanitation is more important than Independence". He was aware of the pathetic situation of rural India at that time and he dreamt of a clean India where he emphasised on cleanliness and sanitation as an integral part of living. As part of Swachh Bharat Abhiyan, a lot of activities are undertaken to ensure a clean and green India. The Students Role in Swachh Bharat Abhiyan is said to be vital in turning India clean and green as they are the emerging crops of nation. Being said that, they are the brand ambassadors of this noble cause. *Students* can also help their ignorant or illiterate family members and others.

A cleanliness drive was taken up by NSS volunteers as part of Unnat Bharat Abhiyan project at Doddathoguru Village by celebrating 73rd Independence Day in the village. 35 NSS student Volunteers from T.John College picked up unwanted plants and plastic waste in the public utility area. Not only students cleaned the given areas but also they educated and created awareness to the rural people that "Cleanliness is often achieved through cleaning". Volunteers were given food and refreshments. The initiative was taken by Ms. Vaishnavi.R, and coordinated by Mr.Arun Kumar.R, NSS Coordinators, T.John College, we are glad that Principal and Management for their support for making this activity a success.

TJC - UBA - NSS Unit - Visit to Government School at Doddathogur Village

Date: 06 09 2020 (04)

Children are the future of this country. By investing in Children's basic education we are contributing to the country's development and creating a literate and self-sufficient society.

T. John College NSS unit recognized the significance of education and, created a symposium for the young NSS student volunteers to actively participate in this appreciable activity at Doddathoguru government school, Doddathoguru village , (The adopted village under Unnat Bharath Abhiyan, a flagship project of MHRD). Initiated by Prof. Vaishnavi.R , Department of Languages, T. John College, with the extensive support from the Doddathoguru Gram Panchayat.

On 6th September 2019, 35 NSS student volunteers along with two faculty, carried out an activity in order to educated the school children on general awareness pertaining to personal hygiene, communication skills and their prominace, Social awareness on water conservation, usage of sanitary napkins, and so on.

Volunteers with the help of posters and pluck card, with a skit performed by our NSS students, were able to create an impact in the minds of the young children.

Adding to this, various Cultural , sports and academic competitions were held in order to establish a fascinating ambience among the children.

We appreciate the gesture of the Principal,
T.John College, management and the teaching fraternity for extending their support in contributing the required materials for taking forward the activity and, also for making this activity a grand success.

OXFAM Trail Walk 2019

Date:18-01-2019

NSS Volunteers of T.John College participating in an International Fund Raising event – OXFAM Trail Walk 2019

Oxfam Trial Walk is a unique fundraising international event to eliminate poverty. Oxfam Trial walker is an International NGO, who have conducted similar Fundraising event in different countries like Canada, Australia, UK etc. T.John College association with OXFAM INDIA for eighth time in a row from 2012.

Volunteers from NSS Unit of T.John College volunteering themselves in service and participation in one of the countries' big fund raising event for social cause on 18th Jan 2019. Check Point 2 on the trail walker track of 100 kms distance is sponsored by T.John College, it is a unique check point among other 9 check points on the track which is fully given to and managed by student volunteers.

Over there the students had to help the people who were walking 100 kms for the cause "WALK FOR EQUALITY". The students enjoyed a lot while working to support the people who were walking for a noble cause. The students learnt how to work under pressure and the importance of team building. Students get a real time experience in managing a full-fledged event by managing resources, handling people, team work, delegation of task etc. It was an experience of a lifetime for the students leaving them with lessons in importance of social responsibility. There was an immense support and encouragement to student volunteers from Dr. Shikha Tiwari, Principal T.John College. The students were accompanied by Mr. Govind Kumar, Physical Education Director and the program was Co-ordinated by Mr. Arun Kumar.R, In-Charge - National Service Scheme Unit, T.John College.

Feed The Need - Food Drive (Distribution of Grocery kits) @ Doddathoguru village

Date: 12 05 2020 (02)

We are writing to express our deepest thanks for your recent donation to "Feed The Need" Food Drive (Distribution of Grocery kits) @ Doddathoguru village on 12.05.2020. Generous contributions from donors like you provide the financial and moral support needed to continue our mission.

T. John College, NSS Unit is enormously grateful for the efforts of the donors who made this mission a successful one.

The total amount collected was
Rs.21000/. With which we could buy 70 grocery kits, per grocery kit costing Rs. 300/ (Inclusive of packing and transportation charges). Each grocery kit contained:

The total fund raised was used to buy food items like Rice, Aata, Sugar, Sooji, Dal, and allowed us to provide needed grocery kits to about 70 families in the village.

With your faithful financial contributions, you've demonstrated your deep commitment to our work of feeding the needy. On behalf of the needy we served, and for that we are extremely thankful.

Thanks to our Administrator for letting us carry out this drive. Thanking our respected Principal, Sis. Rose Mary Balappa, for the constant support, and grating us permission for fund raising. Your valuable support and immediate response is helping us provide long-term support to the Village.

Special thanks to Prof. Arun Kumar, NSS Unit, Your support has repeatedly played a key role in our success even in the recent accomplishment - "Feed The Need" as well.

We at T. John College are continuously inspired by the dedication and generosity of donors like you.

If you have any questions about your contribution or about our work, we would love to hear from you. Please email (vaishnavir@tjohngroup.com)

NSS Volunteers of T.John College Participating in Workshop on Role of NSS Volunteers and Social Workers in Prevention of Cancer in India

Date:04-02-2019

City hospitals on Monday observed World Cancer Day creating awareness about the disease and early diagnosis and the treatment. Dr.C.Ramachandra, Director of the Kidwai Institute of Oncology, organised a day-long programme on 4th Feb 2019 at their hospital on Hosur Road to educate all the NSS Volunteers and Program Officers how early diagnoses would make a difference in treating the disease. "Breast, cervical, and stomach cancers have increased in the past few years, and it is very alarming," he added. The top-most Doctors addressed the students on different types of Cancers their causes, effects and treatment available.

Dr. R. Srinivas, NSS Program Coordinator, Bangalore University also encouraged the volunteers that each one should take up initiative in terms of helping others to quit smoking and consumption of alcohol whether it is family members, friends or even public, and also spread awareness in college campus. The program came to end by NSS volunteers taking oath on how they have to be a part in preventing cancer in India. Session came to end by issuing certificates for attending the program.

As per the guidance of Principal, Dr.Shikha Tiwari we have planned to spread awareness amongst the students on Cancer and its prevention on 8th Feb 2019. The program coordinated by Mr. Arun Kumar R & Mr. Govind Kumar B, NSS Coordinators, T.John College.

Subject: Consent to felicitate NSS Unit Program Officers of T. John College.

Greetings,

Respected Sir/Madam,

Lions Club of Bangalore, Jnana Yoga, is a 36 years old club which has been one of the most disciplined and dedicated clubs serving the needy. Vibrantly focusing towards Eye Screening and Surgery, Heart Screening and Surgery, Blood Donation Camps, General Check-up and Surgery camps, Cancer Early Detection, Education scholarships, Environmental Programs, Lake Rejuvenation, Cornea and Organ Donation, Mid-Day Meal Program, National and International Seminars to name a few.

We came across a newspaper article in Prajavani Kannada about the *SHAIR HAIR* – Hair Donation Camp initiated by Mr. Arun Kumar.R, and Ms. Vaishnavi. R (NSS Program Officers). The event was first of the same in the entire Karnataka region. Which motivated many others to follow path.

In light of the same, we would whole heartedly want to appreciate the noble cause that would render support to many Cancer Victims across the country. We would be extremely delighted to take this opportunity to recognize these unsung heroes who are leading by example. We would be extremely honored to recognize and felicitate Mr. Arun Kumar. R (NSS PO) and Ms. Vaishnavi. R (NSS PO) at your esteemed organization for initiating such an inevitable program. Being essential members in the field of academics, we feel their worthy contribution towards the societal empowerment should not go unrecognized. This kind of recognition events not just encourage them to involve in more such social work in future, but also motivate others to follow their footsteps.

With immense pleasure and pride, we are highly privileged to associate with the NSS Unit of T.John college lead by the great souls Arun and Vaishnavi, to render more such selfless services in the future, which play a vital role in the societal development.

Kindly provide a date and venue to arrange the felicitation program.

Looking forward to hear from you,

Yours faithfully,

A. Shyam Sundar

"Say No To Drugs" Anti-Drug Campaign Rally by NSS Volunteers of T.John College in Campus

Date:31-08-2018

The Honourable Deputy Chief Minister and the Home minister of Karnataka Dr.G.Parameshwara has directed that all the educational institutions in the city to cooperate with the Bengaluru Police officials in nabbing the drug peddlers. In order to discuss and address the issue of drug menace in the city, the Bengaluru City Police held a meeting with educational institutions on 27th August 2018 in NIMHANS Conevention Center. Dr. BN Gangadhar, Director, National Institute of Mental Health And Neuro Sciences (NIMHANS) said that educators in schools and colleges who interact with their students on a daily basis could look out for symptoms among their students and help them avoid later risks. Mr. Arun Kumar.R, NSS Coordinator from T.John College represented and attended the meeting.

In connection to this, NSS Unit of T.John College under the guidance of Principal, Dr.Shikha Tiwari had taken up the initiative of spreading awareness amongst the students about the ill effects of usage of drugs. The NSS Volunteers prepared charts and showcased it to others by conducting a Anti-Drug Campaign Rally in T.John College Campus on 31st August 2018.

Kerala Flood Relief – contribution by the MBA III Semester students of T.John College

Date:24-08-2018

Kerala.....God's own country, neighbouring state and home for most of the students, bore the wrath of nature recently. The beautiful state of Kerala is slowly limping back to normalcy. It saw people of all faiths, religions, languages, occupations, castes and creed come together to lend a helping hand.

The MBA III Semester students of T.John College took it up as their social responsibility to help the needy people. They started their campaign on 18th August 2018 to support the Kerala flood relief camps.

They divided themselves into three teams location wise – BTM layout near Jayadeva hospital, Basavanapura and Gottigere and successfully managed to collect necessary goods worth Rs. 1.4 lakhs. With this mission, they identified their capability towards convincing people and achieving targets. It gave them a huge opportunity to put into practice their classroom learning.

Most of them took part in this noble cause. Jithu Baby Alex and Vivek K.Vimalan (MBA III – 2017-19), represented the students and took upon themselves the responsibility to personally oversee the delivery of the relief items collected, to the Alapuzha DMO Office with the help of South Bangalore Malayalee Association.

Annual Voluntary Blood Donation Camp by NSS Unit, T.John College

Date: 22 Feb 2021

After the declaration of the outbreak of COVID-19 as a Public Health Emergency of International Concern on 30th January, 2020, and a COVID-19 pandemic on 11th March, 2020, more than 11.56 million cases of COVID-19 have been account diagonally the globe, consequentially with more than 5,36,786 deaths, at the recovery rate of 6.53 million people. This pandemic has resulted in expansion of severe fright and fear among the folks for their safety and endurance. These factors have badly affected one large area of healthcare delivery, That is, accessibility of adequate quantities of safe and quality blood in the Blood centres pan India. Knowing the fact that more than 80% of the nation blood supply comes from voluntary non-remunerated blood donors (VNRD), T.John College, NSS Unit, organised a blood donation camp in collaboration with Narayana Health City, Bangalore on 22.02.2021 amidst this challenging times. Through which about 74 units of blood were donated by both students and the staff members of T.John College. Our gesture is to bring a ray of hope in contributing to the serious struggle of acute deficiency of blood in India. As our country faces blood shortage of 3 million units. The difficulty can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We require 12 million units of blood every year but, just about nine million units are being donated.

As the care about the safety of blood donors during this pandemic situation is very vital to gain confidence from the blood donors; we ensured that the government guidelines and the Covid-19 precautionary safety measures were strictly followed during the blood donation camp. Donor were instructed to wear face masks (compulsory) and protective gloves (optional) when they arrive at the donation site; Each donor was rapt to wash or disinfect their hands upon arrival with sanitizer, severe restrictions were enforced to limit the number of people attending the blood donation premise at same time, PPE kits were obligatory for all the blood donation staff, No children or accompanying person were allowed to enter the donation site during the camp, Blood donors were checked upon arrival to confirm that they do not have any fever like symptoms, feasibility of disinfectant alcohol based hand sanitizer were placed, a proper set up and implementation of physical distancing (a minimum distance of 6 feet), respiratory etiquettes were also strictly initiated, spitting was firmly forbidden. Installation & use of Aarogya Setu App by all the donors were enforced at the donation site also throughout the donation process. Only blood donors are authorized to enter the donation camp.

Our College has been consistently organizing blood donation camps annually, the students and the staff members come forward willingly to contribute blood and be a part of this noble cause. T. John College, NSS Unit, firmly believe that such blood donations can save lives of countless people. Donation of blood is extremely significant and decisive for saving lives of numerous
