Mr. SUNDARESHA L

B.E, M. Tech.

12 years of Academic Experience

sundaresha@tjohngroup.com

Graduated in Mechanical Engineering from GCE, Ramanagaram and holds a master degree in M. Tech from NIE, Mysore affiliated to VTU Belgaum. Passionate in teaching, learning and applying of mechanical engineering concept in simple clear manner. Having 12 years of teaching experience with skill and abilities in the environment that offers professional growth while being resourceful and flexible, which helps students to share the knowledge.

Subjects Handled/ Area of Interest

- Computer Aided Engineering Drawing (CAED)
- Kinematics of Machine
- Dynamics of Machine
- Total Quality Management
- Computer Integrated Manufacturing
- Computer Aided Machine Drawing(CAMD)
- Manufacturing Process
- Production Technology
- Mechanics of Materials
- Mechanical Measurements and Metrology
- Non Traditional Machining
- Basic Elements of Mechanical Engineering

Seminar/Workshop/Conferences

- Attended 2 days seminar on MATLAB for Mechanical Engineering held at DSCE, Bangalore
- Attended 5 days workshop on Autodesk Fusion 360 at DSCE, Bangalore
- One seminar on Mechanical Processing and Surface Characterization Techniques in Tribology
- 3 days workshop on Computer Aided Machine Drawing held in HKBK college of engineering, Hebbala, Bangalore
- International Conference on Advance Trends in Research and Technology / Delaware University USA held at BTLITM, Bommasandra, Bangalore
