■ Frequently of the Board Meeting and Academic Advisory Body Half Yearly

■ Organizational chart and processes

■ Nature and Extent of involvement of Faculty and students in academic affairs / improvements:

In every department there exists a Department Advisory Board. Faculty members and Students are members of such bodies along with other stake holders. These bodies provide overall direction of the respective departments in terms of meeting the mission of the department.

Faculty members are part of various committees which directly supports academic activities for the improvement of the system.

Mentor system has also been initiated with various staff members and coordinators involved in this activity.

Student's problems both internal and external are heard and the mentors render whatever assistance that is possible.

Every year parents meeting is being arranged and the position the students are discussed. In order to foster healthy and positive environment for growth, several committees like canteen committee, sports committee, cultural committee, Magazine committee, Hostel committee, NSS, Transport committee etc have been set up. Many students and senior staff member's activity participate in these committees fostering improved student – staff relationships. Improvements pointed out by these groups are incorporated, wherever feasible.

■ Mechanism/ Norms and Procedure for democratic/ good Governance

The Board of Management constituted with representation from the government, university, industry and the management are entrusted with the day-to-day affairs of the college like budget, appointments, purchase of equipment's, appointment of various committees like equipment and purchase committee, building committee, selection committee, admission committee etc.

The Principal is the member secretary of the Board of Management and will be executing the decision of Board of Management through building committee, admission committee, selection committee etc. He will also be conducting the meeting of HODs to develop a good atmosphere for academic studies. This includes planning, budgeting, procurement of equipment's and furniture, learning tools, conduction of classes, tests, examination duty etc.

Under each HOD of the department, the different departmental councils are constituted. They in turn recommend the number and type of seminar to Be conducted, research work to be undertaken, the workload, management, syllabus completion, conduction of test and examination, construction work and help in the efficient and smooth running of the department.

Based on the HODs recommendation, the budget allocation, teaching materials, staff requirements, financial requirements, promotions etc are collated by the Principal and placed before the Board of Management for their approval.

■ Student Feedback on Institutional Governance/ Faculty performance

Semester wise Student Feedback on Faculty performance

■ Grievance Redressal mechanism for Faculty, staff and students

Matters relating to salary, promotions etc are referred by the departmental HOD's based on their assessment of the faculty/staff member. The recommendations are forwarded to the Principal. If can be solved at Principal's level, immediate action is taken. In case it is a policy matter it will be referred to the Board of Management. Matters relating to food, hostel, transportation, sports, cultural activities, magazine etc are referred to the relevant committee. In case of major problem, it is referred to the Principal for further action.

PRINCIPAL

Dr. H. P SRINIVASA

B.E., M. Tech., Ph. D

Total Years of Teaching Experience: 24 Years & Industry Experience: 2 Years

tjitprincipal@tjohngroup.com

Currently working as, a Principal at T. John Institute of Technology. Previously I was working as Vice Principal, Professor & Associate Professor in the Department of Computer Science & Engineering. I have been enjoying every bit of my academic life in various capacities from Lecturer to Associate Professor and Head of Department. I have handled classes for UG and PG students across various branches of computer science. I have guided around 30 number of U.G & PG students' projects. I have conducted/Participated in about 15 number of Conferences / Workshops for students. Previously, I have also served as I/C HOD of Computer Science / Information Science & Engineering Departments.

I have received my Ph.D. in Faculty of Computer and Information Science from Visvesvaraya Technological University, Belagavi, and Masters in CSE from VTU and B.E.in CSE from Bangalore University. My primary area of interest is in the field of Wireless Networks for Energy Efficient Routing and conserve Energy during communication. My areas of Specialization are

Cloud Computing,

Machine Learning, and e-Learning.

Areas of Expertise (Subjects Handled):

Database Management Systems, Data Communications, Computer Networks, System Software, Compiler Design, Unix Shell/System Programming, and Web Technologies.
